Featured Parts Tryouts

December 14th 5:00pm

Auditions will take place on December 14th at 5:00 p.m. If interested please fill out the attached registration form and return to Skate Company with payment by December 3rd. It is an Exhibition and we are encouraging skaters to use a themed program that would be entertaining for a spotlight or showcase number, however this is not required. Being our Holiday show it is suggested to use holiday music but again it is not required and music selection is your choice. Please remember when picking music that there is a score for creativity and music interpretation.

Primary Solo/ Duet/ Trio - Eligibility for a Primary solo/Duet/Trio are as follows - *Skater must include their choice of Loop or Flip in their tryout performance.*

Solo /Duet Feature - This is a special part where the skaters chosen for this group will step out from within the group and skate their special part with a group of skaters in the background. Eligibility for a Solo /duet Feature are as follows - *Skater must include their choice of Salchow or Toe Loop in their tryout performance.*

Group Feature - A Group Feature is a special part where a group of 4 or more skaters will skate together and each skater will have a turn stepping out to showcase 2-3 elements of the choreography coaches choice. Eligibility for a Group Feature are as follows - *Skater must include their choice of Salchow or Toe Loop in their tryout performance.*

***In the case that there is not enough skaters trying out for a specific area scores from the lower audition levels will be used to complete the amount of parts needed. With that being said just having the required element does not guarantee you a position. This is performance based and you must score an above baseline score in the other areas to qualify for the part applying for.**

Any questions regarding the show and special parts may be directed to Jennifer Campau or Gail Sombati
